

Industry thought-leaders join the OPERA Working Group

Posted 8/2/2011 6:40 by Martin Eriksson

[Albourne Partners](#) and [Thomson Reuters](#) are pleased to confirm that the following organizations will be joining the [Working Group](#) to develop the proposed templates, protocols and grades that will constitute OPERA.

- [Albourne Partners Limited](#)
- [Brevan Howard](#)
- [BT Pension Scheme Management Limited](#)
- [CITCO](#)
- [Credit Suisse Group AG](#)
- [The D. E. Shaw Group](#)
- [Goldman Sachs Group Inc.](#)
- [International Fund Services](#) - a State Street Company
- [Investcorp Investment Advisers Ltd](#)
- [Lansdowne Partners Limited](#)
- [Morgan Stanley](#)
- [Och-Ziff Capital Management Group LLC](#)
- [Thomson Reuters](#)
- [UBS AG](#)
- [Utah Retirement Systems](#)
- [Weyerhaeuser Asset Management LLC](#)

We are truly thrilled by the response that this proposal has received, with support coming from many more of the worlds great funds, investors, administrators and prime brokers than we could fully accommodate on a Working Group, explains Albourne's Simon Ruddick. We have considerable experience in this area, adds Gerry Buggy of Thomson Reuters, we are very aware that the hard work begins now.
